## **Presidents Message:**

Dear Garden State Members:

The end of the season and my 4-year term as president has come to an end. I want to take this opportunity to thank each and every one of you for your support and help over the years. Without you and your hard work, the club would not have been able to accomplish all that we have. The Grands was a huge success and is still being talked about. I wish each and every one of the families involved in Quarter Midgets the best of luck. As I have told my driver for 9 years, be safe, but most of all, have fun! The years go by way too fast.

Sincerely,

**Jill Forrester**
